Accessing the network with the Windows CSI account

All staff and students (PRE and SUM) of the CSI have a Windows CSI account which they can use in order to connect to the school's Wi-Fi network.

Teaching staff and students

- Network name: **CSI_Docenti_Studenti**
- Access credentials: **Windows CSI**

Admin staff

- Network name: **CSI_Collaboratori**
- Access credentials: **Windows CSI**

Should you have problems with your Windows CSI account, please contact salfatore.abate@conservatorio.ch

Accessing the network through Eduroam

Under development.
