SUPSI

Setting your own password

The password for the Email SUPSI and Windows SUPSI accounts is the same. By changing one, you automatically change the other.

Important
Access to the SUPSI's password management website is available only when navigating from the CSI network, or by alternatively using the SUPSI VPN

1. Open a browser windows and head over to **password.supsi.ch** (only from within the CSI or by using SUPSI'S VPN).
2. On the password reset page, provide your Windows SUPSI credentials (usually name.lastname@supsi.ch)
3. Type your current password.
4. Type your new password in the "Nuova password" field.
1. Confirm your new password in the "Conferma della nuova password" field.
2. Click on "Cambio password".

Forgotten password

Should you forget your Windows SUPSI password, please contact hernando.florez@conservatorio.ch or SUPSI's IT customer service (helpit@supsi.ch). Await to be contacted back.
